PALAU AIRLINES d.b.a. West Pacific Air

PALAU AIRLINES AND WEST PACIFIC AIR is the registered
trademarks of Airlines of the Republic of Palau

The background of the entire image is a photograph of an airplane cabin interior. It shows several rows of dark-colored seats with headrests. The cabin walls are a light beige color, and there are oval-shaped windows. The lighting is soft and warm, coming from the windows and cabin lights. The perspective is from the aisle looking towards the front of the plane.

PALAU AIRLINES

AIR SERVICES WILL START IN 2026.
